

## SURVEY #1 SUMMARY

### **Greater Airport Area Regional Center Survey #1**

**Meeting Date:** May 30<sup>th</sup> – July 4<sup>th</sup>, 2022

**Location:** Online, At Community Meeting #1, and over-the-phone.

**Survey #1:** The questionnaire included basic introductory information about the scope of the plan. The questionnaire was distributed through email, the Greater Airport Area Regional Center Plan project webpage ([greaterairport.sacomplan.com](http://greaterairport.sacomplan.com)), social media, and at the public meeting. During the meeting, iPads were made available for any participants that wanted to take the online survey during the meeting. Spanish translation services were advertised and available. Approximately 170 people participated in Survey #1, and 613 responses were collected.

**What do you like most about this area?**

1. It is centrally located

142. Convenience to airport, downtown and popular areas.
143. Easy access to major highways, nice and established neighborhood
144. great location to access any direction of the city.
145. Easy access; Access to shopping
146. Accessibility to retail, restaurants, and local amenities. Lots of shaded trees in the area with robust parks.

**What is missing from this area?**

1. I can never see the lines on the roads for lanes. They just did Isom, but there's room to improve.
2. The neighborhood is declining with some ( not all ) multiple family housing. The landlords are not m
3. Safety, police
4. Trees, Trails, Bike lanes, smooth road surfaces
5. More nature and parks.
6. Noise mitigations i.e. sound barriers for harmony hill neighborhood off San Pedro/281
7. Upkeep on older multifamily units. More violence in those areas as well
8. Declining sense of safety; crime seems to be in the rise.
9. A more conspicuous presence of police, more crime is creeping in
10. Bike lanes on wetmore
11. nothing
12. Nothing.
13. Public transportation
14. We need more bike lanes
15. Bike lanes, safety officers, traffic lights on Blanco, safer school crossings, decreased speed limit; Single family homes
16. Sidewalks and bike lanes
17. being able to walk to places of entertainment (i.e. restaurants, bars) or decent food stores/shops
18. Terrible streets
19. Smooth road surfaces
20. A quiet flight plan and noise abatement.
21. There's no place to go dancing with live music for people over 50, maybe any age?!!
22. Public Infrastructure maintenance
23. schools and police stations
24. visible police officers, more dining options (not fast food), bike lanes
25. bicycle paths, ongoing police presence for safety & crime deterrence; cultural attractions of any kind, e.g. museums, exhibits, concerts
26. Roads not in good shape. Lots of litter along 281. Lack of police catching unsafe drivers.
27. To include Mcallister park for more free city health events, make it look cleaner of the bushes
28. Increasing number of poorly maintained homes are driving down market values
29. more attractive shoulders off the highway especially near the airport
30. Road striping, owner-occupied housing.
31. Road striping needs to be updated ; Better public transportation.
32. street maintenance, trails should go under j. Maltsberger rd. wider sidewalks,
33. better code enforcement
34. Too many vacant business properties like Sonic on Nacogdoches and 410
35. Traffic lights on Jones Maltsberger at entrances to neighborhoods
36. Centrally located arts district, restaurants, and higher income housing.
37. Street maintenance and bike lanes, more police presence
38. larger airport, more businesses

## Greater Airport Area Regional Center Survey #1

39. More fast food restaurants, traffic control on Wetmore during rush hour.
40. tenants need to take better care of their property
41. Police presence and safety
42. my street sign for Middlebury Dr. at Nacogdoches; the street sign for my street Middlebury Dr. at Nacogdoches; the street sign for my street, Middlebury Drive at Nacogdoches; the street sign for my street, Middlebury Dr. (Middlebury Dr and Nacogdoches)
43. Nothing is missing. Just finish the roads already and build them to last.
44. Petty thefts, property damage, safety declining in neighborhoods.
45. A quiet flight plan and noise abatement.
46. White Castles
47. policing
48. noise abatement assistance for homes under flight paths. More frequent low level approaches now!
49. Bike lanes
50. Reliable/convenient public transportation. My 15 minute commute would take over 3 hours.
51. Quietness (absence of noise from airplanes)
52. Beautification of the whole area. There is not incentive by the City to improve the looks.
53. Peacefulness
54. Bicycle Accomodations ; Sidewalks adjacent to the airport property on US 281/ or shared use path. Sandau needs sidewalks.
55. It could be more pedestrian and bike friendly.
56. hospital, medical groups
57. Street maintenance/improvements. Traffic enforcement.
58. Crime prevention
59. Art and cultural center
60. Safety, more police precense in the neighborhoods specially in the night.
61. Quiet from the airport and road maintance
62. Maintenance of general appearance of public property, i.e. broken curbs, busted lights, cracked pvmt
63. Roads have been terrible for too long now. Also, getting more reports of crime
64. Walkability/bikeability , more accessible green spaces, safety; quiet flight plan (I frequently get woken up at 5:30 am to big jet planes flying over)
65. Need brighter street lights
66. Public swimming pools or springs ; More green!
67. Light rail, multiuse areas where people can walk/dine/shop
68. Community engagement to preserve the area
69. Sidewalks
70. Higher end shops, Infrastructure maintenance,
71. More multi-family opportunities (duplex/fourplex/connected town homes), protected bike lanes,
72. Road improvement
73. Interconnected greenway trails for unobstructed non-car mobility
74. Restrict hours of operation at night and early morning.
75. sign ordinance, compliance enforcement, city maintenance

## Greater Airport Area Regional Center Survey #1

76. code enforcement, sidewalk care, urban planning, unique or cohesive neighborhood identities
77. Noise abatement ; planes are very loud, especially when taking off into Northwest
78. Street lights
79. Need more safety in the parks
80. Compromised Quality of Life due to mass multiple family housing units in too small of living areas.
81. Public infrastructure maintenance and support.
82. More police presence
83. Walkability: West Ave., Northwest Military, Blanco, etc.. Large, tree-lined sidewalks are needed.
84. HOV lanes on 281
85. Easier, safer ways to get around other than by car
86. Sound calming infrastructure for Neighborhoods surrounding the Airport and 410
87. easy entrance from 281 to Wurzbach parkway west.
88. more Parks and recreational facilities
89. walkability and bicycle facilities, green space, more open airport landside to surrounding area
90. Rental property upkeep
91. Better bicycle lane access - and safer!!
92. Extreme jet and airplane noise protection. More safe sidewalks and bike lanes
93. Safety as crime is increasing. green spaces and open lots. Higher end stores/restaurants
94. neighborhood police presence
95. Safety, home maintenance, from some. Security in my own home; Safety, low crime rate, lower home owner taxes; Low crime rate, low home owner taxes
96. Beautification of roads, lit street signs, better lines in roads
97. Street maintenance / green spaces and safety
98. Maintenance of some neighborhoods, better restaurants
99. any type of city response to the increasing homeless population
100. A significant presence of Mass Transit.
101. Effective use of property immediately surrounding airport.
102. Road infrastructure to keep up with growth, noise management from airport
103. Land development planning and needed infrastructure to support the development
104. air quality
105. Public infrastructure maintenance.
106. Better upkeep of roads.
107. Some of the apartment complexes could be better kept.
108. The one LGBT bar in the area closed during the pandemic
109. Police patrol, street maintenance
110. A gate around our neighborhood for security... Enchanted Village; More security measures... a gate around our community
111. Places to shop and socialize ; Better transportation
112. More bike facilities - multi-modal transportation options. VIA bus frequent route within Quarry area.

**What would you change about the community so that it attracts future generations?**

1. Clean up the garbage and tend to the grass/weeds coming out of the sidewalks and streets.
2. Code enforcement
3. More code compliance, revitalizations of older multi family
4. Less parking lots and more green spaces, trees parks. There are so many parking lots that are empty
5. Smart community planning that doesn't allow for overcrowding and overtaxing of infrastructure.
6. Better community landscaping, 311 code enforcement
7. Keep the integrity of the schools up, get rid of older multifamily units where violence is common
8. Stop clear-cutting lots. People are attracted to and feel better around shaded and wooded areas, IMO
9. Multi-use commercial/residential zones; lofts above locally owned businesses
10. New high school
11. enforcement of speed limits and code enforcement.
12. More Police !
13. Fix streets and flood areas.
14. Build more homes instead of apartment complexes
15. Sopes limits, home code enforcements, better streets, parking; More shops, less payday loans, and more trees; Less apartments
16. Better public transportation
17. Respect for neighborhoods
18. Improve the stteets
19. Nothing, i think it is perfect without a bigger airport
20. A quieter area. One with fewer flights at reasonable hours of the day.
21. More entertainment and music venues for those not interested in cowboys, rodeo, or Spanish based.
22. sidewalks and police
23. redevelopment around blossom athletic center. industrial into retail, like the quarry
24. focus on schools, community spaces, transportation options into downtown, safety infrastructure
25. Code enforcement. More cultural entertainment (all museums concerts, etc. are downtown. Lower tax; Code enforcement. Museums. Less traffic.
26. More sidewalks.
27. A high school, more sidewalks and police
28. mandatory HOA and stricter code enforcement
29. investing in the neighborhoods roads, sidewalks, safety, and curb appeal of neighborhoods
30. Better road conditions, less airport noise/congestion
31. Better public transportation
32. extend jones Maltsberger (tunnel under airport) for traffic, a rail system, wider sidewalks; extend jones Maltsberger tunnel under airport. no future apts. rail system on parkway/281
33. constant park development
34. Removal of vacant business properties or turn them into active businesses

## Greater Airport Area Regional Center Survey #1

35. Pave roads off Single oak. Put traffic light at Shingle oak. Fix abrupt lane curve from new construct
36. Less multiple family homes, greater access to art or culturally important businesses
37. Improved schools, code compliance, preserve trees, refurbishing decaying properties
38. Code enforcement to keep property values up and invest in roads and schools.
39. NEISD is responsible for school property maintenance. Background check for Multi-family rentals; Up to NEISD for campus locations, not the City; Not the right cultural area for a museum; The City can't "remove" a business. Up to Owner/landlord
40. Vacant businesses that are no longer owned by anyone.
41. Code enforcement and police presence
42. Schools. Families with children use Great Schools ratings to influence where they live.
43. get rid of the government subsidized public housing/apartments
44. Nothing. Everything looks good. We have a nice park and shopping centers with restaurants.
45. Less population density in the neighborhoods. Too many multifamily housing.
46. Window replacement program for older homes, for quieter living in the entire mapped area.
47. Updated schools and parks - with increased safety
48. schools & reduced crime
49. More neighborhood parks/green spaces
50. I would add some public transport
51. Add better transportation options for those who do not drive.
52. Stop increasing school taxes
53. Enforce all commercial buildings and others to keep up signs, buildings, etc.
54. More traffic enforcement (speeding on E Bitters Rd/Starcrest Dr).
55. No billboards on Thousand Oaks and surrounding area
56. Keep up the roadway maintenance and improve sidewalk connectivity and bicycle connectivity
57. Public service campaigns that promote driver awareness of pedestrians and bikes
58. More focus on bringing higher paying jobs, HQ's and overall diversity of roles/incomes
59. tech jobs, ground transportation like rail station at the airport, not downtown
60. Get the police to actually enforce traffic laws. Paint the street lines.
61. Clean up properties especially around San Pedro
62. Code enforcement, fewer rental properties
63. more police presence and code enforcement
64. Police who actually investigate crimes, not just 'take a report'; Rather than create new things, work to improve existing public works to B or B+ range quality
65. Maintain the roads!! Add some renovations to the nearby parks
66. Beautification and more green spaces, investment in schools, airport noise abatement
67. Code enforcement
68. Clean public swimming
69. Light rail and other investments into green spaces
70. Code enforcement and stricter approval processes for multifamily units
71. Focus on good schools, safe streets
72. Community pools, community gardens, places where families can congregate, more police

73. Disagree - what for? Economic improvement (better education, housing, health) will reduce crime ; More green space/ pedestrian bike, sustainable front lawns, good public transportation
74. Keep airport noise to a minimum. Do not expand or raise airport noise beyond the current boundaries
75. Limit the density of the population by limiting apartment housing.
76. better code enforcement and maintenance, more support for schools/children's safety
77. Abortion rights ; More apartments for younger generations to move into
78. More localized governance, so we feel responsible for our own neighborhoods,
79. more parks and art
80. Reduce the noise from the airport
81. As long as houses are maintained I think we will be alright
82. Get rid of the bums living at west and interparlImprove the schools - used to be the best in the city
83. Diminish multiple family housing units and multilane roads e.g. Blanco and San Pedro.
84. Less HOA. More investment in education and public parks.
85. Get rid of the Walmart on Blanco & Wurzbach
86. updated infrastructure, more community beautification including along roadways
87. A good public transportation network. Walkable, tree-shadowed sidewalks that can attract restaurants
88. Light rail and revitalization of declining areas
89. more green spaces and walkability
90. Speed limit and traffic calming enforcement and property code enforcement.
91. Bike lanes. More greenspace. City buy golf course and convert to Park.
92. abolish the HOA!
93. Higher paying jobs meaning more economic development
94. make area more pedestrian, bicycle and transit friendly - green space - housing
95. More police presence deters home purchases
96. More green space
97. Better public transportation & invest in a better infrastructure. Traffic is terrible here
98. Keep improving parks, outdoors, sports fields, dog parks. More outdoor activities
99. more efficient public transportation, more safe bike lanes, side walks, greenspaces, arts
100. Increase police presence. Bike lanes. Improve reputation of existing elementary schools
101. McAllister Park security so families can frequent during the day
102. Gated neighborhoods, lower home owner taxes while maintaining property values by lowering the incre; Lower home ownership taxes
103. Invest in our schools pay the teachers living wages
104. Old Strip Centers and businesses enforced to clean up or be removed if not being utilized
105. Need better retail & restaurants in empty shopping centers. Maintain good housing options
106. address the rapidly increasing homeless population
107. Cut down on Fast Food franchisees; They also serve junk food anyway
108. Add another public pool/splash pad, another dog park, improve walkability.
109. Increase accessibility to parks
110. Bike lanes and light rail, and more affordable multi-housing.
111. more police

## Greater Airport Area Regional Center Survey #1

112. Stop building new highways, maintain what you have, and install light-rail in the 281 corridor.
113. Clean up low income areas.
114. Step up code enforcement.
115. More medium density housing and commercial development
116. Enforce existing laws for nuisance properties, other code enforcement.
117. Better public transportation
118. More parks and walking trails and eating places; More walking trails
119. More public services nearby such as libraries, recreation centers, community centers, etc.  
Equitable transportation networks to meet the needs of all income levels (complete streets).

**What is your vision or what are your "big ideas" for the future of this area?**

1. Public transit would help with traffic, maybe.
2. Maintaining the neighborhood
3. Stop building until vacancies are filled, no criminals in MF
4. Build parks, add trees, remove unused parking lots, create walking, running, cycling trails.
5. With the current state of the economy, having it not be a slum would be a good future.
6. Code enforcement with broken cars, lawns. Community landscaping, sound barrier neighborhood and 281
7. Well kept neighborhoods that attract buyers, fewer power/telephone lines visible along streets
8. Keep/incentivize pride in the area, well-maintained neighborhoods and commercial properties.
9. Mass transit along the 281 and 410 corridors
10. New high school, more bike lanes, McAlister park beer garden
11. Stop building apartments.
12. Leave it out of the Airport's plans.
13. Connect Wurzback to 281
14. Less noise from aircraft flying in and out of the airport
15. Move out of Bear County
16. Wurzback/281 proper interchange
17. Continued convenience and moderate growth.
18. A small arena/theatre facility for music, performances, comedy and cultural activities.
19. Leave it alone
20. quality growth with redevelopment. Many buildings in the area are OLD.
21. green spaces, community spaces, freshen up older shopping centers and buildings; eco-conscious focus; electric vehicle charging stations
22. development of unused portions of McAllister Park to include, e.g, walking and hiking trails
23. Quit subsidizing development with our tax money.
24. code enforcement, fix what is already built instead of building more to fill what is empty
25. Sidewalks without fire hydrants blocking them
26. community gardens, large community pool for kids in summer, beautifying highways/neighborhoods
27. Fewer apt complexes & AirBNB units, crackdown on loud music venues on major streets
28. Fill commercial vacancies. Keep airport here
29. encourages walking, biking, tunnel under airport to relieve traffic add trees; high end condos, and homes, create a space like the Pearl or Gruene
30. red light cameras at major intersections; put us 281 underground near airport so runway 13/31 can be extended
31. Build parks and add more trees
32. Do not develop park. Middle turn lanes Jones Malts
33. Breweries, distilleries, arts areas with high-quality restaurants.
34. Clean up blighted areas, encourage redevelopment projects
35. Invest in airport noise control over this area to make it quieter for the homeowners.
36. Don't cut down the trees! No government sponsored housing would remove criminal element

## Greater Airport Area Regional Center Survey #1

37. Keep airport here and improved parks
38. Invest in airport noise control.
39. Increased police presence, decreased apartment building. Vacant lots cleaned and turned into parks.
40. Minimize apartment construction, Minimize government housing & reduce airport noise level.
41. sky track/train
42. more community gathering places, like Hardburger Park has.
43. safe residential area; tree line 1000 Oaks with Oak trees
44. Make the airport more accessible, and cheaper fares for it too.
45. Reclaim empty/vacant business properties and repurpose. Parks or community services.
46. Provide incentives by the City so that citizens & commercial areas beautified.
