There is too much tolerance for businesses like the Chevron at Perrin Beital & 410 that sell inappropriate items and allow bad things to happen on their property. Allowing strip clubs right in our neighborhood brings the wrong people to our area. Putting a parole office here with the nearest bus stop to the office positioned so that the parolees are meandering through our area and harassing good citizens. Another insult was changing Sungate to council district 2 when we belong in 10, it doesn't even make sense on the map. Nobody running for 2 cares about this little neighborhood so far away from their main area & it shows by how much the area has deteriorated.

There are far too many metro pcs's and subpar "no license needed" insurance companies on this side of town. The glow of their cheesy LED strip lights bordering the windows scream "ghetto neighborhood". We need businesses like chick fila or Panera bread instead of Taco Bell and kfc. Also too many "buy here/pay here" car lots, when I see all these types of places in other cities, it reminds me to lock my doors and keeps driving. Get rid of those types of businesses on this side of town and it will look a whole lot better.

If you are planning to modify I-35 maybe consider an alternative. 35 is always jammed with trucks trying to pass thru. Often just to pass thru not even exit. So why not run a truck route bridge or road with no exits thru the small stretch between just north of downtown and pop out north of New Braunfels. Ease congestion at rush hour. Doing anything to 35 is gonna be hell.

The neighborhood Associations do not do a good enough job recruiting new and younger participants. The people in these areas have a cavalier attitude about how things work as if they are renters with no responsibility to help maintain their neighborhood.

This area has not aged well of the last 25 or so years. We used to have good reatil and restaurants in this area, they have moved out as the area has gone down. Wurzbach Parkway was built as a lower speed Parkway and in this part of town looks and functions more like an old highway, not as nice as the north central or northwest part of the parkway. No new senior friendly housing (garden homes, etc.) have been built
